London, May 14.—The foreign office has not yet received advices that the porte has definitely acceded to the British demands, but the latest official dispatches from Constantinople intimated that the sultan was preparing to submit. HERETIC LABEL FOR CARTER.

Because e Paseed Criticism on the Westminster Confession.

New York, May 14.—The question of discipling or of trying on heresy charges Rev. Dr. Samuel T. Carter, who several years ago became prominent in an effort to have the Westminster Confession revised, was taken up by the Presbytery of Nassau at Jamaica, L. I. The meeting was called because of a letter in which Dr. Carter declares that he does not believe the Westminster Confession to be the truth of God, but "an idol of man's invention as truly as any worshipped in Delhi, Pekin or Africa."

This letter is addressed to the general assembly of the Presbyterian church, which meets May 18th in Des Moines, Iowa. The writer terms its a "protest and confession." The letter was sent from Rome, Italy.

Dr. Carter has been in the Presbyterian church for over thirty years, but is not now in charge of a church. More than a year ago his views were discussed by the Nassau Presbytery. The Presbytery was in session only two hours. Upon its adjournment it was stated that the Carter case had been acted upon, but all the members were pledged to secrecy in the matter. If the Presbytery has decided to proceed against him, he will have to be summoned from Europe to answer the charges, and this would entail an indefinite delay.

The party will be headed by Secretary Harris, of the state board of health, and will include, besides other physicians, several bacterioligists. They will have an establishment of their own, and for that purpose have rented a pretty cottage on Tift street. The owners will be away from home for the summer, and Dr. Harris' party has rented the house with all its furniture.

Special study will be made of climatic diseases, principally the "slow fevers" peculiar to some of the country districts. The investigations will not be confined to any particular county, and will be made principally in the country district. Special study will also be made of typhus fever.

This enterprise on the part of the state board of health is expected to be fruitful of good results. There has not been such systematic study of south Georgia climatic fevers as Dr. Harris' party intends making. The local physicians will co-operate in the investigations, and the results will be made known at the earliest possible time.

MUCK RAKE NEEDED ON THE OIL TRUST

Hearing Is Now In Progress In Chicago.

RAILROAD OFFICIALS WITNESSES

They Tell of Their Contracts With the Trust for Oil—Roads Pay More Than the Oil Would Cost in Open Market.

Chicago, May 14.—Direct charges of collusion between the Standard Oil company and the St. Louis and Iron Mountain railroad were made during the hearing before the interstate commerce commission investigation of the Standard Oil company and the common carriers of the country.

H. J. Conen, of St. Louis, for 15 years connected with the Standard Oil company, declared that the agents of the railroads acted as agents for a commission on oil they sold. He himself acting as an agent of the Standard Oil company, had, he said, appointed agents at various places on the Iron Mountain road in Missouri.

Attorneys for the Standard Oil company during the cross-examination of Maxon, an Illinois oil dealer formerly employed by the Standard Oil company, showed that Maxon repeatedly wrote letters to officers of the Oil company threatening to make trouble because he did not consider himself well treated.

Maxon said he wrote the leters just for amusement.

The last witness of the day was S. L. Hibbs, of Peoria, Ills., who gave evidence regarding the methods of crushing independent dealers similar to that given by previous witnesses.

During Hibbs' testimony, Attorney Miller, representing the Standard Oil company, objected to the evidence, saying that it had no bearing on the relations of the company with the railroads and that it was simply a lot of "muck raking."

"Well," Commissioned Clements replied, "if the Standard Oil company is in the muck, I see no reason why a rake should not be used."

DR. B. P. RICHARDS TAKEN SUDDENLY ILL

Affected With Paralysis, He Was Taken to His Home on Sunday.

LEFT SIDE WAS AFFECTED

Was Visiting Pecan Grove With His Patner, When He Entered Cottage to Get a Drink of Water, and Was Found Unconscious on the Floor.

Dr. Benjamin P. Richards, for many years cashier at the banking house of H. F. Dutton & Co., and one of the most widely known men in the county, had the misfortune of a sudden illness Sunday afternoon about 4:30, while in company with his associate in the pecan industry, H. S. Graves, at their pecan grove near Arredondo. His entire left side, including both limbs, was paralyzed, and he was brought to his home in Gainesville in a comparatively semi-conscious condition. Medical aid was summoned quickly, however, and the patient is resting as easily as could be expected now.

Mr. Graves, who is a nurseryman, has been associated with Dr. Richards, who is an enthusiast on the culture of pecans, for some time. On Sunday they made a visit to the grove which they own near Arredondo, desirous of taking a little drive for outdoor exercise, and after looking over the property they drove to the house on the place, a small cottage, Dr. Richards desiring for some reason to enter the cottage, and Mr. Graves, who was driving, remained in waiting for him. After he had failed to return for several moments Mr. Graves went to see what was the matter, when he found Dr. Richards stretched upon the floor unconscious. Realizing his condition, Mr. Graves made him as comfortable as possible on a cot, which he found conveniently near, and after driving to the station he secured assistance, and placed the patient tenderly in the buggy. He reached home about 5:30 o'clock, and Dr. Richards was cared for as lovingly and tenderly as possible.

The doctors reported his condition very much improved at a late hour Monday night.

TODAY'S PRIMARY.

Interest Not as Great as on Former Occasions in Alachua County.

Today is the great day, the day of primaries throughout the State, when officials will be nominated for the various Congressional, State, Legislative and county positions.

The interest in politics throughout the State, especially in the Second Congressional District, if we are to take the newspapers for authority, have been rather quiet, in proportion to what they have been in former years. The situation in Alachua county has been void of excitement, and there has been very little interest taken in all except a few offices.

The polls will open at 8 o'clock this morning and close at sundown. The voting place will be located in the room north of the Brown House office, recently vacated by the First National Bank.

AN EARNEST APPEAL.

Prof. Tom McBeath Wants Accommodation for Teachers.

To the Public Spirited Citizens of Gainesville: The University Normal opens here June 12. As the University dormitories are not completed, provision will have to be made by our people for boarding the pupils at reasonable rates during these six weeks.

The school will be attended by teachers from all over the State. As most of them are young ladies working for small salaries they cannot afford expensive board.

Will not our citizens open their homes to these worthy young people for the six weeks.

I have letters daily asking me to arrange for board; but have just about exhausted the resources at my command. All who are willing to board these young ladies for say $12 50 each per month of four weeks, where two or more room together, or for $16 when only one occupies a room, will confer a great favor by dropping me a postal card, stating how many they can accommodate.

Next year, of course, the summer pupils will be provided for at the University dormitories, but it is greatly to Gainesville's interest that they be taken care of this summer. I have placed a number at the above mentioned rates in several of the best families of the city, but places are desired for some fifty or seventy-five more.

What is to be done must be done quickly. Yours truly,

TOM F. MCBEATH

SPRING CATARRH.

J. W. McCollum & Co. Sell Hyomei Under Guarantee of Cure.

The changeable weather of spring is directly responsible for the prevalence of catarrhal troubles in Gainesville at the present time.

As a result, J. W. McCollum & Co. had a larger sale for Hyomei the past week than ever before in the years that they have handled this reliable treatment for the cure of catarrh.

If there is a single germ in the system, Hyomei will search it out and absolutely destroy it, completely eradicating the trouble. The remedy has made so many cures among J. W. McCollum & Co's, customers that they offer to pay for it themselves if it does not benefit even the worst case of catarrh.

The entire outfit costs only $1, consisting of an inhaler, medicine dropper and bottle of Hyomei, while extra bottles of Hyomei can be obtained for 50 cents. There will not be even this small expense if Hyomei does not cure, as J. W. McCollum & Co. will return your money.

NEWS OF CITY AND COUNTY CONDENSED

S. V. Duke has returned from Dunnellon, where he has been on business for the past few days.

Mr. and Mrs. W. M. King, who have been for the past few months residing in Palatka, where Mr. King has been employed in the gas house, have returned to this city, where they will make their future home. Friends are glad to welcome them again.

In mentioning the recent trip of J. R. Fowler in his Cadillac machine to Newberry we neglected to mention that the 18 miles was made with four persons, in one hour and twenty-seven minutes going, and the return trip, with seven persons, was made in one hour and twenty-eight minutes.

His Honor Judge H. G. Mason on Saturday issued a marriage license to John Patrick and Miss Isie Neal. The genial Judge, with his usual dignity, also performed the ceremony which sealed the destiny of the happy young couple "for better or for worse," as the ceremony goes. Friends wish them abundant happiness.

Among the prominent visitors to this city is Hon. W. M. Holloway, who is here for a few days on professional business as State Superintendent. Prof. Holloway was for many years county superintendent of public instruction for Alachua county, and this is his home. His friends here are always glad to see him.

James Holder, formerly a merchant and naval stores operator of Rochelle but now engaged in the same occupation at Citronelle, where he has an extensive plant, passed through the city yesterday en route to Jacksonville. Mr. Holder had only a few moments here, but met many of his friends at the station who were glad at the opportunity to see him.

Mrs. L. James Knight has issued invitations to a large reception which she will give on Wednesday afternoon, May the sixteenth, at her pretty home on Daugherty street. Mrs. Knight is giving this affair in compliment to her guests, Mrs. James Wesley McCollum, who is Mrs. Knight's sister, and Miss Jessie Bodiford, both of Gainesville.—Ocala Banner, Saturday.

H. D. Derrick, the clever traveling representative of the R. J. Reynolds Tobacco Company, who makes his headquarters in this city, has returned from Jacksonville, where he has been in attendance at the meeting of the United Commercial Travelers' Association. Mr. Derrick delivered the address of welcome in behalf of the U. C. T., which was well received. He reports a big meeting.

Jesse Clark, representing the Roundtree Trunk and Bag Company of Richmond, Va., and one of the most competent and cleverest salesmen Florida has ever produced, left yesterday for Tampa, St. Petersburg and other points, where he will work the regular trade. Jesse has many friends throughout the State, not only in South Florida but elsewhere, who are always glad to extend him not only custom, but courtesies.

The numerous friends of Capt. J. A. Tucker of Rochelle, Fla., will be glad to learn that he has taken a change for the better. The Captain was called south some twelve days since on business, but was taken seriously ill. By great force of will he got himself together and made an attempt to return home and got as far as Dunnellon, where he stayed with his friends a few days and from there to the Marion county hospital. He expresses himself as highly pleased with the physician and nurses there and feels confident that he will be able to go home by the 15th and vote for Hon. H. H. McCreary and others.—Ocala Evening Star.

SKIN DISEASES

FIERY ACIDS IN THE BLOOD

All skin diseases are due to the same cause—an excess of acid in the blood caused by faulty assimilation of food and poor bowel action; this fiery acrid matter is forced to the surface through the pores and glands. Pustules are formed, discharging a sticky fluid which dries and makes a crust, causing intense itching. When the crusts or scabs are scratched off the skin is left raw and bleeding. Sometimes skin diseases are in the dry form, and bran-like scales come on the flesh, or the skin becomes hard and dry, often cracking, and the painful itching causes acute suffering. It does not matter how the trouble is manifested, the cause is the same—an excess of acid in the blood. Salves, powders, cooling washes, etc., while they relieve the itching and give the sufferer temporary comfort, cannot cure the trouble because they do not reach the acid laden blood. The best treatment for all skin diseases is S. S. S., a remedy that is purely vegetable and one which acts directly on the blood with a cleansing, healing effect. S. S. S. neutralizes the acids, and purifies the blood so that the skin instead of being blistered and burned by the fiery fluids, is nourished by a supply of cooling, healthy blood. Special book on Skin Diseases and any medical advice desired will be furnished without charge.

Dear Sirs—My body broke out with a rash or eruption which in spite of all efforts to cure continued to get worse. The itching, especially at night, was simply terrible. I had tried many highly recommended preparations without benefit, and hearing of S. S. S. determined to give it a fair trial, and was inexpressibly delighted when a few bottles cured me entirely.

INTEREST REVIVED IN NATIONAL GAME

Team Has Been Organized, and Exciting Games Anticipated.

FIRST GAME ON THURSDAY

Manager L. J. Burkhim, Who Organized the Team, Has Arranged For a Game With High Springs—Next Contest May be Made With Lake City.

After persistent efforts and some patience, L. J. Burkhim has at last succeeded in organizing a baseball team and a number of the best players in the city have been enlisted in a proposition to bring back the reputation in the National game that was so long held here by the old Oak Halls.

Mr. Burkhim has already arranged for a game with High Springs, which will be pulled off on the local diamond on Thursday afternoon, and inasmuch as the High Springs contingency are practicing regularly, and are said to be proficient in the game, an exciting contest is expected.

The people of Gainesville have always manifested an interest in baseball, and for years held the championship pennant of the State. A good percentage of the material of the Oak Halls are still here, and to take the place of that gone, others have come. As a result there is ample material for a good team, and Manager Burkhim feels that he has secured it.

Manager Burkhim is now in correspondence with the manager of the Lake City team, and the chances are that we may secure a game from that club in a few days.

HANDS RAW WITH TERRIBLE ECZEMA

Suffered for Ten Years—Spreading to Body and Limbs Despite Efforts of Three Doctors—Another Remarkable and Speedy

CURE BY THE CUTICURA REMEDIES

"I had eczema on my hands for ten years. At first it would break out only in winter. Then it finally came to stay. I had three good doctors to do all they could, but none of them did any good. I then used one box of Cuticura Ointment and three bottles of Cuticura Resolvent and was completely cured. My hands were raw all over, inside and out, and the eczema was spreading all over my body and limbs. Before I had used one bottle of Cuticura Resolvent, together with the Ointment, my sores were nearly healed over, and by the time I had used the third bottle, I was entirely well. I had a good appetite and was fleshier than I ever was. To any one who has any skin or blood disease I would honestly advise them to get the Cuticura Remedies and get well quicker than all the doctors in the State can cure you." Mrs. M. E. Falin,
May 19, 1905. Speers Ferry, Va.

CURED OF ITCHING HUMOR

"I have been troubled with a humor on the back of my neck and head for four or five years. It had an itching and burning sensation, and was a very uncomfortable feeling. I have used the Cuticura Soap, Ointment, and Resolvent Pills three months, and can say I am completely cured." Respectfully,
Mrs. H. D. Ludlam,

SUNDAY'S BAPTIZING.

Three Candidates of Seventh Day Adventists Were Immersed Sunday.

There was a baptizing at Hogtown creek, North Gainesville, Sunday morning, three candidates of the Seventh Day Adventists having presented themselves for the holy rite.

The service was conducted by Elder Stevenson of Ward City, who has been conducting a three-day service at the Seventh Day Adventist Church in North Gainesville.

The ceremonies were largely attended, many of the good people of this city and North Gainesville being present.

THE ALACHUA MEETING.

Candidates for Various Offices Addressed Voters Saturday.

About seventy-five voters gathered at Alachua Saturday, where the various candidates had assembled by appointment for the purpose of making addresses upon the political situation. A number of speeches were made, and the day passed very harmoniously and very pleasantly.

An Enjoyable Occasion.

Chas. Fisher, a student of the University of Florida, is spending a few days at home with his parents, Mr. and Mrs. H. A. Fisher, North Gainesville.

Charles is quite a popular young man, and on Saturday evening friends congregated at a pound party which was given in his honor. The evening was passed happily and those who attended were delighted with the entertainment.

Mr. Fisher expects to return to his studies in a day or two.

Sunday's Fire.

An alarm of fire was turned in from Box 61 at 10:50 Sunday morning, which summoned the department to the paint shop of H. W. Denham, West Main street S., near the junction of the Atlantic Coast Line and Seaboard Air Line. The flames were extinguished with little damage. The origin is unknown.

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Falconia, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by all druggists.

MR. DAMPIER REPLIES.

Declares Himself in Favor of Hard Roads and Improvements.

Editor Sun: I notice an article written by J. D. Stringfellow which appeared in your paper on Sunday, in which he makes an attack on me, and seems to hold me personally responsible for the acts of the Board of County Commissioners. I am loathe to believe that Mr. Stringfellow would wilfully mislead the public or do me an injury. The Board of County Commissioners could not do as Mr. Stringfellow says, because the law is the opposite of what he claims it to be. I refer him to the Revised Statutes of Florida, in which is found the law that governs the commissioners. A penalty and heavy punishment is provided for any commissioner who acts as Mr. Stringfellow thinks I should have done. I do not believe that Mr. Stringfellow or the public wish me or any other commissioner to violate the law and sacred trust, and to draw money from a fund for purposes for which it was not created.

I am in favor of hard roads and public improvements, and used my influence at the last session of the Legislature to have a bill passed that would allow the commissioners to use this money of which Mr. Stringfellow has spoken for road-building purposes and the public schools. The bill passed, and I am advised that same was vetoed by the Governor at the instigation of some of the leading citizens of Gainesville.

OFF TO OCALA.

Central City Base Ball Team Went to Brick City Monday.

The Central City baseball team, colored, left Monday for Ocala, where during the afternoon they met the Brick City team.

Manager Carolina of the Central Citys is now in correspondence with the manager of the Jacksonville Grays, a stiff team, in the matter of three games to be pulled off there on May 21, 22 and 23.

A telegram received Monday night from Ocala bears information that the Central City team was victorious, the score being twelve to four. White and Sapp was the battery. There will be another game today, when the battery will be Smith and Sapp.

Sciatica Cured After Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure. If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain. For sale by all druggists.

London, May 14.—Baron Curie (Philip Henry Wodehouse) formerly British ambassador at Constantinople and later ambassador of Great Britain at Rome, died Saturday at his residence after a long illness. He was born in 1834, and was private secretary to Lord Salisbury when the latter in 1873 and 1880 was secretary of state for foreign affairs.

"WHY do I take Cardui"? writes Mrs. Jelemma Mullins of Odessa, W. Va. ONLY TRUE DEMOCRATS CAN VOTE.

Unless you are a Democrat and agree to support the Democratic nominees, both State and National, you have no right to vote in today's primary. The call for the primary issued by the State Democratic Executive Committee explicitly provides that—

"Those, and only those persons shall be permitted to become candidates before or to vote at or participate in the management of any primary election held by the Democratic party in Florida, who are white Democratic electors, who declare their adherence to the principles and organization of the Democratic party—National, State and county—who are by the laws of the State lawful electors of the election district in which they offer to vote, who have paid their poll taxes legally due not less than ten days before such primary election is held, and who shall when challenged by any elector pledge in writing upon oath before an inspector his honor to abide by and support the result of such primary and vote for the nominees thereof."

The election today is a white Democratic primary and the "colored brother" will not participate.

Be careful to make the X mark before the name of the candidate of your choice today. If made after the name your vote will not count.

The Apalachicola Times is now an eight-page paper, and is one of the best printed and most ably edited journals it the State. Brother Johnston is to be congratulated upon his enterprise.

Ex-Governor Bob Taylor of Tennessee has been nominated for United States Senator, defeating Senator Carmack by about 20,000 votes. "The fiddle an' bow" no doubt cut considerable figure in the contest.

Otis F. Landers and Book Gandy are the new editors and publishers of The Quincy Times. The Sun bids them welcome to Florida journalism and bespeaks for them the liberal patronage their enterprise so richly merits.

Sensitive people should keep out of politics. Their temperament unfits them to deal with public questions from an unbiased standpoint or stand criticism of those who honorably differ with them, which accounts for their failure as legislators.

The Republican city of Omaha has given the g. o. p. the grand bounce by electing a full set of Demperatic officials. This indicates that even Nebraska Republicans are bound to have retrenchment and reform, which their own party will not furnish.

Postmaster-General Cortelyou told the Senate committee on postoffices and post-roads that the Department had not recommended the granting of railroad mail subsidy, but that "no objection had been raised against it." Cortelyou evidently believes it good policy not to oppose the railroads in their graft, or he might not find it easy to collect campaign funds from the corporations for the next national election.

SPECIAL TAX BILL

Mrs. J. E. Futch, secretary of the local union, W. C. T. U., which has been so deeply interested in the introduction and passage of the special tax bill, has received a letter from Hon. Frank Clark, Congressman from the Second District, which explains itself, and is certainly gratifying information to Mrs. Futch, who has been very earnest and persistent in her efforts to have the bill passed.

This letter is under date of May 10, and says:

"I enclose you herewith a copy of a bill which passed the House of Representatives on Monday, the 7th day of the present month.

"In the early part of the present session of Congress, Mr. Humphries of Mississippi, Mr Bowie of Alabama, Mr. Macon of Arkansas, myself, and several other gentlemen introduced bills, having for their object the suppression of the 'blind tiger' in prohibition communities. All of these bills were referred to the ways and means committee. The ways and means committee, some time ago, reported, with a favorable recommedation, the enclosed bill, as a substitute for all our bills, and, as stated before, this substitute passed the House last Monday, and is now pending in the Senate. I am satisfied that it will pass the Senate, and become a law, in its present form.

"If the Legislature of Florida will pass an act making a certified list of persons paying special taxes to the United States, competent evidence to prove the fact of such payment, then it will be an easy matter to put an end to the 'blind tiger' business in our State. Of course, I would have preferred to pass a bill absolutely prohibiting United States collectors of internal revenue from receiving special taxes from persons to do business as liquor dealers in prohibition communities, but this was impossible. I think that we can congratulate ourselves upon the passage of this law, as, in my judgment, it satisfactorily solves the liquor problem with us. The law as passed is as follows:

"'Be it enacted, etc., That Chapter 3 of the Revised Statutes of the United States be, and hereby is, amended in Section 3240, so as to read:

"'Sec. 3240 Each collector of internal revenue shall, under regulations of the Commissioner of Internal Revenue, place and keep conspicuously in his office, for public inspection, an alphabetical list of the names of all persons who shall have paid special taxes within his district, and shall state thereon the time, place and business for which such special taxes have been paid, and upon application of any person he shall furnish a certified copy thereof, as of a public record, for which a fee of $1 for each 100 words or fraction thereof in the copy or copies so requested may be charged'".

Kissing is evidently becoming an important part of the political game, for two of the most eminent osculators, Hobson of Alabama and Hoch of Kansas, have received nominations from their respective parties. But there is a vast difference between the Hobson, or Democratic brand, and the Hoch, or Republican grade. In the case of Hobson many women seem anxious to be kissed, while in the latest reported attempt of Hoch, although he is governor of Kansas, the lady in the case repulsed him. That should settle Hoch's case with the voters.

Hon. John S. Williams, the Democratic leader of the House of Representatives, is very properly compelling the Republicans to keep a quorum, as a club to force them to agree on the Statehood bill to admit Oklahoma and Indian Territory and allow Arizona and New Mexico to vote on the question of joint Statehood.

There is something fascinating in the problem of flying machines, and it is interesting to learn that one of the officials of the Census Office, Mr. T. N Waddell, who is now in Washington, has been the witness of the first flying machine anywhere in the world that really flies without the aid of a gas bag. While in the West on business for the Census Office he was invited to witness the exhibition of a flying machine in Dayton, Ohio, a product of two brothers, Orrville and Wilbur Wright. He avers that it flew over twenty-five miles round and round a half-mile circular track and that it seems to have practically solved the problem of real flight as distinguished from ballooning.

The National City Bank of New York—Rockefeller—highly approves of the interposition of Secretary Shaw with the treasury gold to facilitate the banking process of drawing gold from abroad. As that favored corporation, according to its own statement, "secured a total of some twenty-four millions," without having to pay interest during transit, it is no wolder that the Republican favoritism is approved.

Charged with Incendiarism.

Charleston, W. Va., May 14.—Mrs. John Barnes and Mrs. Ada Viers are in jail here on the charge of arson. A few nights ago the house of Henry Bradley, a negro, who ran a junkshop was burned. The fire was clearly of incendiary origin. Suspicion pointed so strongly to the two women that they were arrested. It is supposed they set fire to the building because it was a nuisance in their neighborhood.

He Robbed City of $85,000.

Newburyport, Mass., May 14—James B. Felker, treasurer of this city, who was arrested charged with embezzlement from the treasury, admitted that this accounts are short not less than $85,000.

SATURDAY SESSION OF CIRCUIT COURT

Grand Jury Presented One of Best Reports for Years.

COMPLIMENT TO CALHOUN

The Jury Declares that He Has Done a Great Deal for Law and Order, and Recommends Him to the Law-Abiding People of the County.

The session of the circuit court, spring term, after disposing of a few cases on Saturday by continuing, adjourned until Wednesday morning, owing to the primary election, which will be held on Tuesday.

The Grand Jury, which has performed a faithful service, finished its labors, and during the day, just prior to being dismissed, filed the following presentment:

"To the Honorable James T. Wills, Judge Presiding.

"The Grand Jury of Alachua county at the spring term of court, being about to complete their labors, beg leave to make the following presentments:

"First—We are glad to find that crime is on the decrease in our county. Especially is it the case in the matter of local option law.

"Second—We are pleased with the vigorous enforcement of the local option law by our vigorous and able sheriff, assisted by his numerous deputies.

"Third—We are pleased to find that our public schools are in good condition, and are carefully superintended and conducted.

"Fourth—We believe that our county commissioners are deeply interested in the matter of the improvement of all of our county roads, and call upon them to vigorously push improvements thereon as far as the road funds of the county will permit. We also enjoin upon them the necessity of seeing to it that every dollar's worth of labor is returned by one dollar's worth of labor.

"Fifth—We call upon all officers, both municipal and county, to vigorously enforce the vagrancy law.

"Sixth—We take pleasure in thanking Judge James T. Wills for his courtesy and dispatch of business, and enforcing the law.

"Seventh—We desire to express our thanks to Hon. Benj. P. Calhoun, our State Attorney, for his valuable assistance to our body, his fearless and impartial manner in prosecuting crime. The ability he has displayed impels us to say the interests of our county will be best subserved by our State Attorney, and that we recommend him to our law-abiding people.

"Respectfully submitted,

"DAVID A. ROBERTSON, Foreman.

"GEO. B. EVANS, Clerk."

A CRITICAL PERIOD

INTELLIGENT WOMEN PREPARE

Dangers and Pain of This Critical Period Avoided by the Use of Lydia E. Pinkham's Vegetable Compound.

How many women realize that the most critical period in a woman's existence is the change of life, and that the anxiety felt by women as this time draws near is not without reason?

If her system is in a deranged condition, or she is predisposed to apoplexy or congestion of any organ, it is at this time likely to become active and, with a host of nervous irritations, make life a burden.

At this time, also, cancers and tumors are more liable to begin their destructive work. Such warning symptoms as a sense of suffocation, hot flashes, dizziness, headache, dread of impending evil, sounds in the ears, timidity, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude are promptly heeded by intelligent women who are approaching the period of life when woman's great change may be expected.

We believe Lydia E. Pinkham's Vegetable Compound is the world's greatest remedy for women at this trying period.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism, and builds up the weakened nervous system as no other medicine can.

Mrs. A. E. G. Hyland, of Chestertown, Md., in a letter to Mrs. Pinkham, says:

Dear Mrs. Pinkham:—

"I had been suffering with a displacement for years and was passing through the change of life. I had a good deal of soreness, dizzy spells, headaches, and was very nervous. I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me, and I have passed safely through the change of life a well woman."

For special advice regarding this important period women are invited to write to Mrs. Pinkham, Lynn, Mass She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Her advice is free and always helpful to ailing women.

Strohbar Clear of Charges.

Gainesville, Fla., May 14.—After thoroughly investigating the cases of the Atlantic Coast Line versus J. N. Strohbar, former agent at Gainesville, alleging embezzlement of the company's funds, the grand jury of Alachua county Friday vindicated Strohbar by returning no indictment on each charge. Strohbar was vigorously prosecuted by the Atlantic Coast Line, and some of the best legal talent in the country was employed to prosecute. Among the witnesses were a number of leading accountants and auditors of the road. Strohbar was acquitted on practically the same charges in Atlanta, and notwithstanding that Governor Terrell, of Georgia, refused to grant a requisition, Strohbar returned to Florida voluntarily to meet all charges.

Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest cough and cold cure and lung healer. Guaranteed by all druggists. 50c and $1. Trial bottle free.

Final Arrangements Made.

New York, May 14.—Final arrangements have been made between Columbia and Harvard universities for the work in foreign countries, either under the government or as private citizens. The arrangement is the result of the movement that has been progressing for some time to give men going into the consular service better educations and training than has heretofore been the case. This movement is in consonance with the views of of many public men, who have been advocating reforms in the service.

I recommend it for pains in the chest." Sold by W. M. Johnson.

WHISKEY LICENSES REVOKED.

All San Francisco Saloons are Closed For Indefinate Period.

San Francisco, May 14.—That the authorities here have no intention of lessening the reins which have held the liquor dealers in check since the city suffered its great disaster, was made plain Friday by an emphatic declaration from Mayor Schmitz that all drinking places will be closed for an indefinate period.

He attributed the remarkable absence of crime and exceptional order which has prevailed since the conflagration, to the fact that the edict against the selling of liquor had been rigidly enforced. The stand of the mayor was emphasized when the board of police commissioners met and unanimously endorsed a suggestion made by the mayor that all saloon licenses be revoked.

The commissioners were a unit that the future welfare of the city would be enhanced by fewer drinking places.

A number of saloon proprietors made in course of construction temporary buildings. To these the commissioners issued a warning, advising them that the number of saloon licenses to be issued in the future would be curtailed greatly, and that it was unwise for them to incur any expense in the way of temporary building operations.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cure of this most common ailment. It always cures and is pleasant to take For sale by all druggists.

Southern Baptist Convention.

Chattanooga, May 14.—The second day's session of the Southern Baptist convention opened Saturday morning with devotional exercises lasting an hour. An hour and half was devoted to the affairs of the Sunday school board. The remainder of the morning session was given up to the welfare of the seminary.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co. Detroit, Mich.

New Bank Accounts Opened.

San Francisco, May 14.—Within the past few days it is said that new accounts have been opened at several of the commercial banks of San Francisco by men from the East who have deposited sums ranging from $10,000 upward. Some of them are known by reputation to banking men to be possessed of large wealth. Others are supposed to represent wealthy clients in eastern money centers. The evident purpose of these men, the bankers say, is to make investment of their funds in San Francisco.

Was Wasting Away.

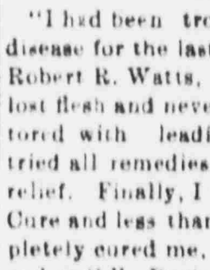
"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally, I tried Foley's Kidney Cure and less than two bottles completely cured me, and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. J. W. McCollum & Co

Lime Plants Merged.

Tiffin, O., May 14.—The Ohio and Western Lime company, which owns nearly every large lime kiln and ground lime plant in northwestern Ohio, has absorbed the large Weot plant here, the consideration being $7,000.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.



It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Home of Swamp-Root.

Pulajanes Burn and Murder.

Manila, May 14.—The following dispatch has been received from Acting Governor Cinco, of the island of Samar: "A band of 24 Pulajanes, having five rifles and other weapons, entered Inabangan by the Barrio Wright (the Wright ward, named in honor of former Governor General Wright) on Saturday, killing one and wounding seven residents, burning and looting 36 houses and taking over 20 residents as prisoners. Troops, constabulary, policemen and volunteers are pursuing the band."

Not if as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy The eminent physician cannot prescribe a bottle preparation for colic and diarrhoea, both for children and abults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by all druggists.

Mexico Releases Fishermen.

Washington, May 14.—Edward H. Thompson, American consul at Progresso, Mexico, has advised the state department that all the American fishermen arrested for alleged poaching off the Mexican coast and placed in jail at Progresso, have been released under Minister Thompson's pledge for their appearance, and some of the most capable lawyers in the state of Yucatan have been retained to defend the fishermen.

Postmaster Robbed.

G. W. Fouts, postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years." Sure cure for biliousness, neuralgia, weakness and all stomach, liver, kidney and bladder derangements. A wonderful tonic. At all drug stores. 50 cents.

Labor Law Is Upheld.

New York, May 14.—A brief upholding of that section of the labor law that forbids employment of women in factories after 9 p. m. or before 6 a. m., was filed in the court of special sessions here Friday by Attorney General Mayer. The brief was filed in reply to a demurrer alleging that the law is unconstitutional, put in by counsel for an employing printer, who was arrested charged with violating the labor law.

If You Don't

Succeed the first time use Herbine and you will get instant relief. The greatest liver regulator. A positive cure for constipation, dyspepsia, malaria, chills and all liver complaints. Mr. C——. of Emory, Tex., writes: "My wife has been using Herbine for herself and children for five years. It is a sure cure for constipation and malaria fever, which is substantiated by what it has done for my family." Sold by W. M. Johnson.

Schurz's Condition Not Improved

Frey, during the early part of this year, was put on trial and the case was given to the jury. Rumsay was found guilty of manslaughter.

For State's Attorney.

To the Democratic Voters of the Eighth Judicial Circuit of Florida:

Believing that my thirteen years' practice of law, together with my experience as a prosecuting attorney, fully fit me to discharge the duties of State Attorney, I, therefore, at the request of many friends, announce myself a candidate for nomination in the Democratic primary for State Attorney for the Eighth Judicial Circuit of Florida. If nominated, I pledge myself to courteously, economically and faithfully discharge the duties of the office and to help maintain the dignity and honor of the court. Respectfully,
JOS. M. RIVERS.

To the Democratic Voters of the Eighth Judicial Circuit of the State of Florida:

Having served you in the capacity of State Attorney since July, A. D. 1903, and trusting that you have approved of the manner in which I have represented the State and discharged my duties, I solicit your votes at the coming primary for the position of State Attorney for the Eighth Judicial Circuit.
Very respectfully,
Palatka, Fla. BENJ. P. CALHOUN.

I respectfully announce that I am a candidate for the office of State's Attorney for the Eighth Judicial Circuit of Florida, composed of the counties of Alachua, Baker, Bradford, Levy and Putnam. I conceive the faithful and energetic discharge of the duties of the office to be a sacred obligation to the State, and, if the voters of the circuit favor me with the nomination, I pledge them that the interests of the State and of society shall not suffer through favor or negligence of mine.
THOS. W. FIELDING.
Starke, Florida.

For State Senator.

To the Democratic Voters of Alachua County:

I have, on various occasions, been earnestly requested to enter the race for State Senator from this county, and, until now, have declined to do so, because I had no desire to oppose the Honorable H. H. McCreary, who has rendered such valuable service to our county in the State Senate. But since he has withdrawn from the race I will be a candidate, subject to the Democratic primary.

Having served in both branches of the Legislature in the past, I feel that I am the better qualified to serve the best interests of our county at this important time.

Earnestly soliciting your support at the coming primary, I am your humble servant.
JOHN B. DELL.

In reference to my declination, which appeared in The Daily Sun of Mch. 20th, the same was made in what I conceived the interest of harmony. However, I have reconsidered same and am a candidate for the State Senate.
H. H. McCREARY.

I respectfully announce my candidacy for the Democratic nomination as Senator for Alachua county (33d district), pledging my support of all measures in the interest of the masses as against the classes; and especially do I pledge my support and influence in aid of the common schools and maintenance of the State University upon a liberal basis such as will enable parents to obtain for their children a thorough education in their own State, as well as all measures tending to promote the religious and moral welfare of the entire people. Thanking my friends for their support in the past, and soliciting the vote of all Democrats at the coming primary, I am very respectfully, H. H. McCREARY.

For the Legislature.

At the solicitation of many friends I have consented to make the race for the Legislature and hereby announce myself as a candidate, subject to the Democratic primary.
WM. N. SHEATS.

In response to the solicitations of many friends I respectfully announce that I will be a candidate for the Lower House of the Legislature, subject to the Democratic primary. If elected I promise to do all in my power to protect the best interests of our beloved county. Respectfully, THOMAS A. DOKE.

I announce myself a candidate for the Legislature at the coming primary, subject to the action of the Democratic voters of the county. If elected I will endeavor to make some very radical changes in the present divorce law. I am in favor of keeping the State University at Gainesville forever.
Alachua, Fla. CHAS. HODGE.

At the solicitation of friends I announce myself a candidate for Member of the House of Representatives, subject to the will of the people, as expressed at the Democratic primary election.

I shall favor the maintenance of the State University, now established in this county, with liberal appropriations for its development, and the advancement of public education throughout the State.

I believe in a Railroad Commission and shall support any legislation enlarging its powers and increasing its usefulness.

All measures tending toward the moral development and growth of our State will receive my hearty support.
ROBT. E. DAVIS.

S L Carter will be a candidate at the primary election for Member of the Lower House of the Florida Legislature.

For County Treasurer.

To the Democratic Voters of Alachua County:

I hereby announce myself as a candidate for County Treasurer, subject to your action at the primary of May . . f elected, being familiar with the duties of the office which I held through your suffrage for three terms, I promise you a faithful and efficient service, and will make monthly accounting to you by statement at my own expense. Respectfully,
R. B. PEELER.

To the Voters of Alachua County:

I want to be County Treasurer, and hereby announce myself as a candidate. I will appreciate the support of the Democrats in the county at the primary on May 15, and promise a full obedience to the duties of this office, one of the most important in the gift of the people. Respectfully,
Trenton, Fla., March 13, '06. T. J. LOVE.

For Tax Assessor.

. . . desire to announce my candidacy for re-election to the office of Tax Assessor of Alachua county. With the experience I have had in this position I can consistently promise to render satisfactory service. WILLIS W. COLSON.

To the Democratic Voters of Alachua County:

I hereby announce myself as a candidate for County Tax Assessor, subject to your action in the coming primary on May 15. If elected I promise to exercise my best effort to fulfill the duties of the office faithfully and efficiently. Respectfully,
Gainesville, April 7. L. T. ROUX.

For Tax Collector.

To the Voters and Tax-Payers of Alachua County:

I take this method to publicly thank you for the very liberal support you have given me in the past, and to announce my candidacy for re-election for ensuing term to the office of Tax Collector of Alachua county. The arduous duties of the office, at this, the closing period of 1905 collection, will entirely prevent my making a canvass of the county and seeing you in person, so I trust my friends throughout the county will remember me on the 15th of May at the various precincts, when casting ballots for the men of their choice to fill the respective offices now elective. Assuring one and all it shall be my constant effort to discharge the duties incumbent on the office with faithful patience and honest fidelity. Yours very truly,
W. D. DICKINSON.

Dampier in financing the funds of this county during his administration as County Commissioner, his many friends hereby announce his candidacy for re election to this important office from District No. 1. Let all Democrats interested in a judicious expenditure of the public monies rally to his support at the approaching primary.
